Certificate of Conformity of Factory Production Control

This certificate is issued to:

Manufacturer: **TSP Engineering Ltd**
Curwen Road, Workington
Cumbria
United Kingdom

In compliance with *The Construction Products (Amendment etc) (EU Exit) Regulation 2020 No1359*, this certificate applies to the construction product:

Fabricated Steel components for use in Building & Construction up to EXC 4

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

EN 1090-1:2009+A1:2011 Execution of Steel Structures and Aluminium Structures - Part 1: Requirements for conformity assessment of structural components

under system 2+ are applied and that the factory production controls fulfil all the prescribed requirements set out above.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
